

FOR IMMEDIATE RELEASE

Specialty Lighting's New Website Spotlights UX

North Carolina – [Specialty Lighting](#), a leading source for lighting, charging USB, and power distribution solutions, has updated its website with a new look and a smooth user experience (UX). One major goal of the new design is to effortlessly guide visitors along an intuitive path to find the information they need with streamlined navigation and recognizable product category icons. These categories include:

[Undercabinet Lighting](#), [Linear Lighting](#), [Task Lighting](#), [Downlighting](#), [Accent Lighting](#), [Power Distribution](#), [Controls](#), [Lamps & Accessories](#), [Commercial, Industrial & Retrofit Solutions](#)

You'll also gain easy access to helpful content about products and services as well as applications showcasing retail, hospitality, office, healthcare, educational, residential and commercial markets.

Plus, the website is even more mobile-friendly and allows quick access to Specialty Lighting from any smart device. Visit www.specialtylighting.com and enlighten your world.

About Specialty Lighting

Specialty Lighting is a market leader dedicated to the art of illumination and power distribution. Since 1975, we have been committed to ongoing research and product development. Our expansive product offering has been carefully crafted to address a wide range of applications ranging from the most basic and simple designs to more elaborate and complex custom designs. Products meet or exceed United States and Canadian safety standards and are UL, CSA or ETL listed. We're ready to assist you with your next project. Specialty Lighting: More Than Lighting, Powerful Solutions. info@specialtylighting.com www.specialtylighting.com.
