module selection

15A modules – for use with 14/3 power cord

A
two outlets

B
one outlet
two charging
USBs
(2.1A total
charging
capacity)

C
two outlets
two charging
USBs
(3.1A total
charging
capacity)

H
Hospital Grade
two outlets

J
Hospital Grade
two outlets
two charging
USBs
(3.1A total
charging
capacity)

20A modules – for use with 12/3 power cord

O
two outlets

P
one outlet
two charging
USBs
(2.1A total
charging
capacity)

Q
two outlets
two charging
USBs
(3.1A total
charging
capacity)

U
Hospital Grade
two outlets

W
Hospital Grade
two outlets
two charging
USBs
(3.1A total
charging
capacity)

color options for modules

1 = black
(standard)

2 = ivory

3 = light almond

4 = nickel*

5 = white

6 = grey*

7 = red*

*not available for all modules
